An Evacuation Alert has been issued by The Village of Cache Creek due to a heightened wildfire risk.

Because of the potential danger to life and health, the Village of Cache Creek has issued an **Evacuation Alert** for the following areas:

All Properties Within the Boundaries of the Village of Cache Creek

An Evacuation Alert has been issued to prepare you to evacuate your premises or property should it be found necessary. Residents will be given as much advance notice as possible prior to evacuation; however you may receive limited notice due to changing conditions.

WHAT YOU SHOULD DO:

- Locate all family members and designate a meeting area outside the evacuation area, should an Evacuation Order be called while separated.
- Pack essential items such as government-issued ID, medications, eyeglasses, valuable papers (e.g. insurance, credit, and mortgage information), immediate care needs for dependents and, if time and space permits, keepsakes for quick departure.
- Prepare to move disabled persons, children and/or neighbours, if assistance is needed.
- Prepare to take pets with you and move livestock to a safe area (if possible).
- Arrange transportation for all your household members. Fill the gas tanks of personal vehicles.
- Arrange accommodation for all members of the residence, if possible.
- Wait for an Evacuation Order to be issued before evacuating.
- Monitor the Cache Creek Fire Department facebook page, Village of Cache Creek Info facebook page, and signup for the Voyent Alert! App for more information as it becomes available.
